

How to open a PayEx account as an international student

Due to Swedish law, (2009:62) “Money Laundering and Terrorist Financing (Prevention) Act”, PayEx must identify all PayEx account users. They only accept users who are Swedish, Norwegian or Danish citizens, or foreign students at Swedish universities.

Foreign students therefore have to show proof of that they are studying at a Swedish university by following the instructions below:

Go to <https://wallit.payex.com/>

Select English by pressing the British flag in the top right corner. Click the link:

To the right of the login form is a "PayEx Account" section with sub-sections: "Convenient Payments", "Connect PayEx Mobile to your PayEx Account", and "Increased regulatory". The "Convenient Payments" section states that PayEx Account is an electronic wallet that is free to register and use. The "Connect PayEx Mobile" section describes PayEx Mobile as a secure payment service. The "Increased regulatory" section explains that due to Swedish law, only Swedish, Norwegian, or Danish citizens, or foreign students at Swedish universities, are accepted for an account. A customer support email address, customer.support@payex.com, is provided at the bottom.

You will receive an email asking you to send a copy of your **passport + LU-card**, or your **passport + letter of acceptance**.
